Subject: Providers of the Griffin Foundation

The Arizona Department of Education has ended its agreement with the Griffin Foundation as of April 22, 2005. All Griffin Foundation providers have received notification that the Sponsor – Provider agreement ends on April 30, 2005, and to submit pending claims no later than May 10, 2005. Providers were given brochures identifying all sponsoring organizations and asked to commit to an organization of their choosing within 10 days.

At this time, some providers remain uncommitted. Sponsors have requested permission to recruit Griffin Foundation providers. Because the time allotted to providers to select a sponsoring organization has concluded, those organizations interested in recruiting may do such.

Please feel free to contact this department or your program specialist if you have further questions.
